

Petra Trek 2024 FAQs

1. What distances and how long will we be trekking each day?

The trek is rated moderate to challenging for someone of a good fitness level. You will be trekking for 5 consecutive days, averaging 6 hours each day. The terrain is largely rocky, dry and uneven. Although some of the days trekking have a very gentle increase in elevation some days have very challenging sections with steep uphill and downhill gradients. Temperatures pose a specific challenge with temperatures historically reaching up to 30°C. You must be of a good fitness level before departure, to ensure fast recovery each day.

2. What's the best way to raise sponsorship money?

The best place to start is by setting up a JustGiving fundraising page. It's easy to set up and manage. Your friends and family can sponsor you from anywhere at any time and you don't need to spend time collecting money. You can use it as well as a regular sponsorship form, giving friends and family two ways to support you.

Most people find fundraising is far easier than they first imagined. We will support you every step of the way to ensure you reach and even exceed your target. Here are some suggestions:

- Ask your friends, family and colleagues to sponsor you through JustGiving: £400
- Five cake sales at work throughout the year: £40 x 5 = £200
- Car boot sale or eBay auction: £250
- Host a couple of dinner parties and charge your friends £10 to come: £200
- Hold a couple of quiz nights at your local pub: £300
- Ask your work or local school to hold a non-uniform day: £200
- Ask your local supermarket if you can bag-pack or hold a couple of collections throughout the year: £200
- Ask local companies to donate prizes for a raffle: £200

Total: £1,950

However, if you do not manage to reach the target, we can discuss the best ways for you to raise the shortfall. Some people also decide to set up a manageable monthly donation.

The days will be long, facilities will be basic and the conditions tough. All of this takes time, effort, dedication and commitment and is far from just a holiday.

Of course, if you would prefer to cover the costs of the challenge in order to ensure that 100% of your sponsorship goes towards the work of the charity we would be delighted to discuss this option with you.
