

How to set up a JustGiving page

1. Open the JustGiving website (www.justgiving.com) and click **“Start Fundraising”**.
2. You will then be asked if you are raising money for a charity. Select **“Yes, I’m fundraising for a charity”** and click **“Next”**.
3. You will then be asked to create a JustGiving account or can log in if you are already signed up.
4. The next page will then say, **“Choose a cause you'd like to support”**, and you can search for Julia’s House. Click on our charity name and then click **“Continue”**.
5. You’ll then be asked **“Are you fundraising in memory of someone?”**. Select **yes/no as appropriate**.
6. The next question will be **“Are you taking part in an activity?”** where you can choose to say you’re taking part in an event, are hosting your own activity or are just fundraising.
7. For the first two options, you will then be asked for more details about the event you are taking part in/hosting
8. For general fundraising, you will be asked if you are fundraising for an occasion.
9. Next you can set your fundraising target. The question will be **“How much would you like to raise?”**. A pre-defined amount will be added but click into this box to change it. Once done, click **“Next”**.
10. Personalise your page by adding a page title and some details about why you are fundraising. Some pre-populated text about Julia’s House will already be added here, but feel free to amend it. You’ll also then be able to view/customise your web URL (this is the link you will share to promote your fundraising). Once done, click **“Next: Page cover”**.
11. Then you can add a page cover – this can be a photo, video or stream that will display at the top of your page. If you want to skip this for now, a stock image will be added. When ready, click **“Next: Finalise”**.
12. You’re almost finished! You’ll then see a summary of the charity you’re fundraising for and what your fundraising target is. You then have the option to opt in for communications from Julia’s House.
13. Click **“Launch my page”** and your page is ready to go and you can now start accepting donations.

Don’t forget to share your page with family and friends, letting them know what you are doing, why you are raising money and how their donation will help Julia’s House families.

Facebook, X and Instagram are great ways to get your page out there and encourage friends and family to donate.
