IS TREKKING THE YORKSHIRE THREE PEAKS FOR JULIA'S HOUSE

This September, I'm taking on the Yorkshire Three Peaks Challenge—24 miles, 7,000ft of ascent, all in under 12 hours—to raise **£970** for my local children's hospice.

It'll be tough, but nothing compared to the challenges seriously ill children and their families face every day.

Please sponsor me to help provide the vital care they need.
