IS TREKKING THE GREAT WALL OF CHINA FOR JULIA'S HOUSE

In April 2027, I'll be trekking the Great Wall of China to raise £3,500 for my local children's hospice, Julia's House!

The trek will be tough - long days, steep climbs, and thousands of stone steps, but nothing compared to the challenges families supported by Julia's House face every day.

Please sponsor me to help a seriously ill child and their family.
